Special announcements

Availability of meeting rooms

The demand for meeting rooms has exceeded the capacity of the conference premises.

In order to accommodate the negotiating process, as well as regional and other groups, we regret that we are no longer in a position to accept bookings by individual delegations. We thank Parties and Observer organizations for their expressed flexibility and for their understanding. Consideration may be given to holding such meetings in the cafeteria, dining room and lounge areas during opening hours.

Updating the website links of Parties on <unfccc.int>

To ensure that the UNFCCC secretariat website <unfccc.int> is updated prior to COP 15 in December 2009, the secretariat wishes to validate its links to the web page(s) or website(s) of Parties to the Convention and to the Kyoto Protocol. Parties are therefore requested to send information on their respective link(s) by e-mail to <webmaster@unfccc.int>. Parties may check all current links by consulting the Parties and Observer section of the secretariat website <unfccc.int> at: <http://unfccc.int/parties_and_observers/parties/items/2352.php>.

A special presentation of these web links is planned at the secretariat's Climate Change Kiosk in Copenhagen. For more information or for clarification, please contact: Mr. Kevin Grose, Coordinator, Information Services at kgrose@unfccc.int, or, locally by phone at +66 (0)81 721 6905.
