Article 6.2 Ambition Dialogue

Article 6 Implementation Updates

10 November 2025, Belém, Brazil

Ambition Dialogue: Procedural Background

Paragraph 56 of decision 4/CMA.6

Also requests the secretariat, **as part of the capacity-building programme** referred to in decision 2/CMA.3, paragraph 12(b)*, to organize **a dialogue**, to be held in conjunction with each session of the Subsidiary Body for Implementation, **among interested participating Parties and observers to exchange information on and experience in how cooperative approaches in which they participate support ambition**

* 12. *Requests* the secretariat to design and, following consultation with Parties, implement a capacity-building programme, including through its regional collaboration centres, to assist Parties, particularly developing country Parties, intending to participate in cooperative approaches, including to:

(b) Help Parties ensure that cooperative approaches in which they participate support ambition;

Capacity Building—No One Left Behind

🌐 In 2025, more than a 100 capacity building activities were provided.

🌐 **Main highlights include:**

- 4 Regional Workshops on Article 6 and Carbon Pricing covering more than 50 countries.
- User-friendly knowledge products and explainers developed to assist Parties understand and effectively engage with Article 6.
- Various country support programmes and technical support initiatives to Parties through the secretariat as well as the RCCs.
- Synergizing with different UN, MDBs and other partners to synergize capacity building support to the Parties and reduce fragmentation.
- A pipeline of knowledge products and accessible learning resources on procedures, rules and regulations, developed which will be continuously upgraded and expanded.

Second Ambition Dialogue in conjunction with SBI 63

- Building on the momentum from Baku, the second Dialogue will feature deeper, peer-to-peer discussions
- As the Ambition Dialogue is open to both Parties and observers, we encourage your engagement to make it a truly interactive exchange

Achieving Ambition

**Day 1: 10 November 2025
(15:00-18:00)**

1. Strategic considerations for participation in Article 6
2. Cooperation as a driver for collective ambition
3. Financing and market signals to achieve ambition

Accelerating Implementation

**Day 2: 12 November 2025
(10:00-13:00)**

1. Ensuring high-integrity cooperative approaches
2. Sectoral and country experiences: from design to delivery
3. Unpacking guidance on authorization and corresponding adjustments
