Report of the Adaptation Committee

Report of the Adaptation Committee*

Summary

This annual report covers the work of the Adaptation Committee between October 2024 and September 2025. It presents the Committee's main achievements during the reporting period and contains organizational and procedural information, including on meetings and changes in membership and co-chairing arrangements. In addition, the report summarizes the Committee's progress in implementing its flexible workplan for 2025–2027 and contains recommendations for consideration by the Conference of the Parties and the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement.

Call for submissions on adaptation reporting

- Launch of call for submissions to Parties and relevant stakeholders
- **Objective:** inform recommendations on improving adaptation reporting

Calls for submissions, elections and statements for consideration at upcoming sessions 1

Parties and relevant non-Party stakeholders to submit information on how to improve reporting on adaptation action and progress in the context of paragraph 45 of decision 2/CMA.5. Guiding questions for this call are available at [*https://unfccc.int/AC-guiding-questions-2025*](https://unfccc.int/AC-guiding-questions-2025)
