

Guidelines in providing the inputs:

- “Sub-elements”: Describe the specific area of the proposed input (e.g. Policies relating to access, gender, environment & social safeguards, etc.);
- “Proposed inputs”: Propose the inputs in draft decision text format;
- “To be considered by”: Choose whether the proposed inputs need to be considered: The COP or the CMA;
- “Rationale for the inputs”: Annotate the reason for proposing the inputs, so that the rationale can be clearly understood;
- “Source of information / reference”: Provide reference to the annual reports of the operating entities or decision(s) of Fund Boards.

Annotated inputs for the draft guidance to the Green Climate Fund (GCF)

Elements	Sub-elements	Proposed inputs	To be considered by: The COP or the CMA	Rationale for the inputs	Source of information / reference
Policies					
Programme priorities		<p>Recalling paragraph 8 and 16 of decision 1/CMA.6;</p> <p>Welcomes the contributions of the GCF in supporting developing country Parties in building the capacity to absorb increasing adaptation finance flows, as described in the adaptation section of its 14th report to the COP;</p> <p>Also welcomes the GCF’s growing adaptation portfolio and its increased efforts to deliver impact and results;</p> <p>Further welcomes the GCF’s enhanced efforts in collaborating and coordinating with other multilateral climate funds through frameworks such as the Multilateral Climate Fund’s Task Force and the Long-Term Vision for Complementarity, Coherence, and Collaboration between the GEF and the GCF.</p>	CMA	<p>In the context of recent AC activities, including the AC’s work on “addressing developing countries’ capacity gaps in accessing adaptation funding” in 2023 and 2024 and a training session on “Navigating the landscape of support for the process to formulate and implement NAPs”, conducted at the 2025 NAP Expo, the need of developing country Parties for support for the development of enabling conditions, including country-owned adaptation finance and investment strategies, that will facilitate the implementation of their adaptation plans by accessing, mobilizing, and combining the available range of financing sources and instruments, was underlined. The AC’s work on recognizing adaptation efforts of developing country Parties in establishing institutional arrangements for adaptation and in engaging stakeholders further revealed continuous support needs in this area.</p>	<p>GCF’s 14th report to the COP, paragraphs 4 (c) (Country ownership); 30-31 (Revised Readiness Strategy), 39 (more intentional and strategic NAP support); 9(b) and 82 (Mitigation/adaptation allocation); 9(f) (Institutional priorities, including regional presence); 11 (Policy reform package, including 11 (c) and 13 and 59 (updated monitoring</p>
