## **[Annex (for option 1 of paragraph 8)]**

### **Terms of reference of the Consultative Group of Experts**

1. The objective of the Consultative Group of Experts shall be to provide technical advice and support to developing country Parties for enhancing their institutional and technical capacity to prepare and submit national communications[, biennial update reports], national greenhouse gas inventories and biennial transparency reports[, as applicable], with a view to facilitating improvements in their reporting over time, with a particular emphasis on the transition to and preparation of biennial transparency reports. Taking into account paragraph 98 of decision 1/CP.21, paragraphs 38 and 43(a–b) of decision 1/CP.24, paragraphs 3–4 of decision 18/CMA.1 and paragraph 1 of decision 5/CMA.3, the Consultative Group of Experts shall ensure that it prioritizes its work in a manner that addresses the challenges, constraints and needs of developing country Parties and ensures the full and effective implementation of the enhanced transparency framework under the Paris Agreement, paying particular attention to the needs of the least developed countries and small island developing States in the light of their special circumstances, as recognized in Article 13, paragraph 3, of the Paris Agreement.

2. In fulfilling its mandate<sup>2</sup> to support implementation of the [existing ]measurement, reporting and verification arrangements under the Convention by Parties not included in Annex I to the Convention (non-Annex I Parties), the Consultative Group of Experts shall, as appropriate:

(a) Provide, taking into account paragraphs 38 and 43(a–b) of decision 1/CP.24, technical assistance and support to non-Annex I Parties to facilitate the process of and the preparation of their national communications<sup>3</sup> [and biennial update reports] in accordance

---

<sup>2</sup> Decision 11/CP.24.

<sup>3</sup> In accordance with decision 1/CP.24, para. 43(a), Parties may submit their national communication and biennial transparency report as a single report in accordance with the modalities, procedures and guidelines for the transparency framework for action and support referred to in Article 13 of the Paris

with the “Guidelines for the preparation of national communications from Parties not included in Annex I to the Convention”, contained in the annex to decision 17/CP.8[, and the “UNFCCC biennial update reporting guidelines for Parties not included in Annex I to the Convention”, contained in annex III to decision 2/CP.17][, and any relevant subsequent decisions of the Conference of the Parties with regard to the reporting obligations of non-Annex I Parties];

(b) [Provide recommendations, as appropriate, on elements to be considered in a future revision of the “Guidelines for the preparation of national communications from Parties not included in Annex I to the Convention”, taking into account the experience of non-Annex I Parties in preparing their national communications;]

(c) Provide technical advice and support to Parties, upon request, on the provision of the information to be reported on steps taken to integrate climate change considerations into relevant social, economic and environmental policies and actions in accordance with Article 4, paragraph 1(f), of the Convention;

(d) [Provide guidance and periodic advice to the secretariat to assist it in fulfilling the selection criteria for the composition of teams of technical experts, in accordance with paragraphs 3–5 of the annex to decision 20/CP.19, taking into account the reports provided by the secretariat in this regard on a semi-annual basis;]

(e) [Continue updating and organizing, as needed, with the assistance of the secretariat, the training programmes for nominated technical experts for the technical analysis of biennial update reports, on the basis of the most up-to-date training materials of the Consultative Group of Experts, with a view to improving the technical analysis, taking into account the experience of non-Annex I Parties, in particular the least developed countries and small island developing States, in preparing their biennial update reports, and increasing the representation of the least developed countries and small island developing States in teams of technical experts.]

3. In fulfilling its mandate<sup>4</sup> to support implementation of the enhanced transparency framework, the Consultative Group of Experts shall:

(a) Facilitate the provision of technical advice and support to developing country Parties[, as applicable], including for the preparation and submission of their biennial transparency reports, and facilitate improved reporting over time in accordance with the modalities, procedures and guidelines for the transparency framework for action and support referred to in Article 13 of the Paris Agreement;<sup>5</sup>

(b) Provide technical advice to the secretariat on the implementation of the training for technical expert review teams referred to in paragraph 12(c) of decision 18/CMA.1;

(c) [Develop and organize, with the assistance of the secretariat, targeted training programmes designed to strengthen the capacities of developing country Parties to nominate qualified experts and prepare them for participation in technical expert reviews with a view to increasing regional representation and expertise in technical expert review teams;]

(d) [Focus on matters relating to paragraph 10[(a–b)][(a–e)] of the annex to decision 18/CMA.1.]

4. The Consultative Group of Experts, in providing technical advice and support, ~~should, to the extent possible:~~

(a) [Should [, to the extent possible,]][Shall] give special consideration to the least developed countries and small island developing States, including in the context of the need to improve the ability of experts to participate in technical expert reviews;

---

Agreement, as contained in the annex to decision 18/CMA.1, for information also covered by the national communication reporting guidelines contained in, as applicable, decisions 4/CP.5 and 17/CP.8.

<sup>4</sup> Decisions 11/CP.24, para. 4, and 18/CMA.1, para. 15.

<sup>5</sup> Decision 18/CMA.1, annex.

---

(b) Should, to the extent possible, identify and take into account, as appropriate, lessons learned and best practices, and the challenges, constraints and needs of developing country Parties pertaining to preparing, as appropriate, the reports referred to in paragraph 1 above, including in relation to financial and other support available, as well as the areas for improvement and capacity-building needs identified in biennial transparency reports, [technical analyses of biennial update reports] and technical expert reviews of biennial transparency reports;

(c) Should, to the extent possible, seek to promote sectoral, gender and geographical balance among experts from developing country Parties eligible to participate in technical expert reviews;

(d) Should, to the extent possible, facilitate the development and long-term sustainability of the processes for preparing, as appropriate and relevant, the reports referred to in paragraph 1 above, including by providing technical advice and support on elaborating appropriate institutional arrangements, facilitating long-term planning with regard to implementing the enhanced transparency framework and establishing and maintaining national technical teams;

(e) Should, to the extent possible, [provide, upon request,][collate, disseminate and publicize] information on existing activities and programmes, including bilateral, regional and multilateral sources of financial and technical assistance, to facilitate and support the preparation, as appropriate, of the reports referred to in paragraph 1 above;

(f) Should, to the extent possible, support, through the national focal points, the development of [sustainable national and regional pipelines] of experts from developing country Parties [with a view to increasing the pool of eligible experts] to participate in technical expert reviews[, for example through the facilitation of targeted training, mentoring and knowledge exchange,] with a view to enhancing the availability and capacity of qualified experts to become eligible to participate in technical expert reviews and improving representation in technical expert review teams;

(g) [Should, to the extent possible, actively seek to increase, through the national focal points, the pool of qualified technical experts through targeted outreach and training initiatives, focusing on building and maintaining a sustainable pool of reviewers, particularly from developing country Parties;]

(h) Should, to the extent possible, support the development of long-term, sustainable national teams of government officials in developing country Parties, structured in accordance with each key component of the enhanced transparency framework with a view to preserving institutional memory and ensuring continuity in the preparation of transparency-related reports;

(i) Should, to the extent possible, support the development of robust and sustainable national transparency systems in developing country Parties and recognize the role of national focal points in transparency processes in facilitating the establishment and coordination of such systems and expert teams.

5. [The Consultative Group of Experts shall, to the extent possible, [determine the share of resources to be allocated to implementing][focus its work on] the activities referred to in paragraphs 2–3 above [taking into account the transparency related capacity building needs][on the basis of the requirements] of developing country Parties, in particular the least developed countries and small island developing States, and report on this matter in its annual report prepared for consideration by the Subsidiary Body for Implementation.]

6. The Consultative Group of Experts [should][will][shall] collaborate[, to the extent possible,] with other expert groups and constituted bodies under the Convention and the Paris Agreement, as well as with representatives of relevant multilateral programmes and organizations, while avoiding duplication of work.

7. [The Consultative Group of Experts shall develop [an annual work programme] [, at its first meeting in 20xx, a work programme [for] [20xx–20xx] [every four years][covering the duration of its term] and include information on its progress in implementing the work programme in its annual report prepared for consideration by the Subsidiary Body for

---

Implementation]]], noting that the work programme may be reviewed and adjusted, as needed].

8. [The Consultative Group of Experts shall include information in its annual report to the Conference of the Parties and the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement on any resource constraints identified in implementing the work programme referred to in paragraph 7 above.]

9. The Consultative Group of Experts shall forward recommendations on the matters referred to in paragraphs 2, 3 and 7 above for consideration by the Subsidiary Body for Implementation, as appropriate.]
