SBSTA 62 agenda item 8 / SBI 62 agenda item 8 United Arab Emirates just transition work programme

Version 25/6/2025 22:00

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) considered matters relating to the implementation of the United Arab Emirates just transition work programme.¹
2. The SBSTA and the SBI welcomed the third hybrid-format dialogue under the work programme,² held from 22 to 23 May 2025 on the topic “Approaches to enhancing adaptation and climate resilience in the context of just transitions”, which was decided upon and communicated in advance by the Chairs of the SBSTA and the SBI taking into consideration the relevant views submitted by Parties and expressing appreciation for the views submitted by observers and other non-Party stakeholders.³
3. The SBSTA and the SBI agreed to continue consideration of these matters at SB 63 (November 2025), taking note of the informal note⁴ prepared by the co-chairs for the relevant agenda items at these sessions under their own responsibility, recognizing that this does not reflect all the views shared and proposals made by Parties, with a view to recommending a draft decision thereon for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its seventh session (November 2025).
