

Marrakech Partnership for Global Climate Action

Quick facts

2025

OUTLINE

- 1 Marrakech Partnership - key facts
- 2 Climate High-Level Champions
- 3 Key functions / 5-year plan
- 4 MP working groups and examples of tools and engagement

MARRAKECH PARTNERSHIP – KEY FACTS

MARRAKECH PARTNERSHIP

A framework of **over 130** coalitions, initiatives and organizations for **continued engagement** of all actors involved in implementation of climate action

ORIGIN

Created by the Champions in **2016 at COP 22**

PURPOSE

Through the Champions' mandate, **help Parties fulfill goals of the Paris Agreement**

MISSION

To **strengthen collaboration** between national governments and key stakeholders

Recognized by Parties at COP 22 as **one of the official platforms that brings together Parties and NPS** to strengthen their collaboration (an enhanced MP was welcomed by Parties at COP 26 and its continuity at COP 29)

CLIMATE HIGH-LEVEL CHAMPIONS

CURRENT CLIMATE HIGH-LEVEL CHAMPIONS

Ms. Nigar Arpadarai

**Climate High-Level
Champion of
COP 29 - Azerbaijan**

Mr. Dan Ioschpe

**Climate High-Level
Champion of
COP 30 - Brazil**

- Created by the Paris Agreement
- Act on behalf of their respective COP Presidents:
 - **Facilitate delivery** of climate action and **catalyzing and scaling-up voluntary efforts**, initiatives and coalitions
 - Provides a **bridge** between national governments with actions taken by non-Party stakeholders (NPS)
- Mandate was extended at COP 25 and then subsequently at COP 29 until 2030;

MARRAKECH PARTNERSHIP – KEY FUNCTIONS

as outlined in the [Improved Marrakech Partnership \(2021-2025\) “five-year plan”](#)

What

Mobilize NPS towards credible, transparent, science-based goals that maximize ambition across decarbonization and adaptation

Support NPS to drive systems transformation around sector pathways with actionable milestones towards a shared vision

Strengthen collaboration between national governments and NPS

How

Broaden and deepen engagement globally with a focus on helping developing countries identify appropriate opportunities and solutions

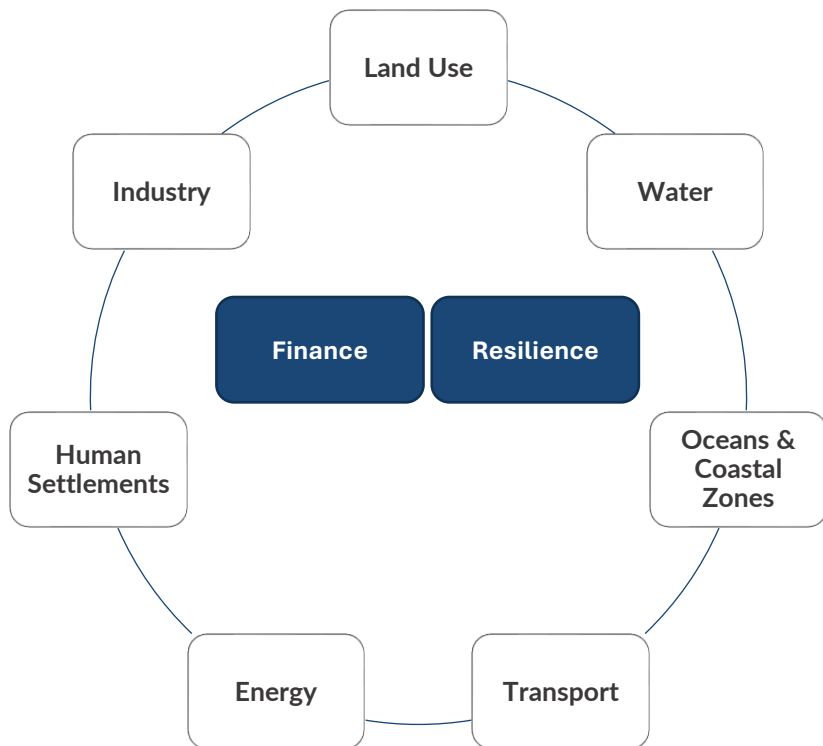

Track progress and **enhance the transparency and credibility** of NPS action to build confidence and shared understanding

Build a shared narrative and comms strategy to showcase progress and potential – and inspire further action

MARRAKECH PARTNERSHIP – WORKING GROUPS

Today the Marrakech Partnership is organized around **seven thematic areas** and **two cross-cutting areas**

Contributions

- Substantive content
- Mobilization efforts to deliver climate action aligned with shared narrative and frameworks e.g., Climate Action Pathways and 2030 Climate Solutions
- Curating and delivering events/activities
- Engagement in the formal UNFCCC process
- Communications efforts
