

SEPTEMBER 2023

# THEMATIC CALL ON LT-LEDS AND NDCS ALIGNMENT, UPDATE AND ENHANCEMENT

# WHAT IS THE THEMATIC CALL ON LT-LEDs AND NDCs

The Thematic Call aims to advance LT-LEDs and NDCs, **while fostering alignment between the two instruments** and developing capacities for their sustained implementation. The Thematic Call runs from 2023 to 2025.

It builds on the Climate Action Enhancement Package (CAEP) to **support developing member countries in two key, interconnected fronts:**

- Preparing, updating and refining their **LT-LEDs**.
- Enhancing the quality and increasing the ambition of their **NDCs**.

THEMATIC CALL

# PREPARATION TO IMPLEMENTATION

# HOW TO ENGAGE WITH THE THEMATIC CALL

1. Engage with the NDC Partnership through a **Pre-Screening Form online.\***
2. **Develop a Request for Support** to the NDC Partnership, with dedicated expert support.
3. The NDC Partnership **mobilizes support** from its partner organizations and platforms.
4. **Develop a Joint Workplan** to implement the support.
5. **Assess needs**, submit new Requests as needed.
