Nomination and participation

Given space limitations, participation of admitted NGOs will be limited to representatives nominated by NGO constituency focal points. Nominated representatives must register for the dialogue using the online registration form, which will be communicated to the nominated participants. Kindly note that, owing to the limited capacity of the venue, only **two representatives per constituency** will be permitted to participate **in person**. Constituency focal points are requested to submit their nomination list, including E-Mail addresses, to cool@unfccc.int no later than **Monday, 4 August 2025**.

Other interested observers may actively participate virtually. The deadline for **registration for virtual participation** through the constituency focal points is **Monday, 18 August 2025**. Kindly note also that the workshop will be broadcasted live via webcast, and the link will be made available on the event webpage prior to the workshop.

In view of the need to confirm arrangements for the workshop as early as possible, registrations received after the above-mentioned deadlines may not be processed.

Further details relevant to in-person and virtual participation in both events will be communicated directly to the registered participants.
