

Sabar, Brazil, October 8, 2022

Dear Members of the Supervisory Body of the A6.4 Mechanism,
Dear UNFCCC A6.4 Mechanism Secretariat team,

We are glad to submit our comments and suggestions to the Document A6.4-SB002-AA-A07 *"Requirements for the development and assessment of mechanism methodologies"*, please refer to the attached file.

We wish you a successful start of the A6.4 Mechanism process, and in case of any doubt about our views please don't hesitate to get in touch.

With kind regards,

Prof. Dr.-Ing. Gilberto Caldeira Bandeira de Melo
