| 0 | 1 | 2 | 3 | 4 | 5 | 6 |
|---------|-------------|----------------------------|--|--|---|---|
| M or A# | Section no. | Para., table or figure no. | Type of input G = general T = technical E = editorial | Comment | Proposed change (Include proposed text) | Assessment of comment (Completed by secretariat) |
| M | 9 | | E | Typo in Footnote 5 (page 6) | If a host Party does not provide information referred to in paragraph 78(a) above to the Supervisory Body, the methodological requirements contained in the applied mechanism methodology and any other methodological requirements as approved by the Supervisory Body for the relevant activity type shall apply. Likewise, if a host Party does not provide information referred to in paragraph 78(b) above to the Supervisory Body, the type and the length of the crediting period selected by the activity participant in accordance with paragraph 31(f) of the RMPs shall apply. | |
| M | 6 | | G | Add definition of the word "expected" to include reasonableness so that it is to an <i>objective</i> measure. | (e) "Expected" means an aspect that is reasonably anticipated on a balance of probabilities having in mind all material facts known by the relevant person as the context provides. | |
| M | 6 | | G | In the event OPTION 2 is chosen per ¶16 of AS-P (A6.4-SB007-A02 at p.8), and noting also ¶¶120-121 of VVS-P (A6.4-SB007-A03, at pp.26-27), add a <i>non-exhaustive</i> definition of "force majeure" for the purposes of ¶133 (p.26) so that where there is a double registration, and where by virtue thereof issuances have been made in an alternative crediting scheme, an Art.6(4) project can claim a "gap period" for the period where issuances have been made in that alternate crediting scheme, <u>provided that</u> the disclosure requirements per ¶16 AS-P have been made. | (f) "Force majeure" for the purposes of paragraph 133 shall also include any period that issuances have been made by an alternative crediting scheme, <u>provided always</u> the requirements of AS-P §6.3 have first been met. | |
