## Activities undertaken

---

- Secretariat has been reaching out to all Parties to designate and communicate their national authority for the mechanism and the submission of host Party participation requirement, as well as the host Party approval.
- Secretariat has sent out another round of reminders to host Parties who may wish to submit approvals for activities eligible for transition to the Article 6.4 mechanism.
- RCCs experts are also engaged with UNFCCC national focal points and Article 6.4 DNAs to ensure the designation of DNAs and the submission of the host Party Participation Requirements as well as the submission of host Party approvals.

- Regional workshops that targeted DNAs, as part of the Article 6 capacity-building programme, were also conducted and more details to be provided during the update on the Agenda item 5. Para 34.

- The first Global DNA Forum will be held in Panama on 20 and 22 May 2025.
  - More than 60 Parties have confirmed their participation
  - A total of 100 participants will be expected
  - Will serve as the official launch of the Article 6.4 Global DNA Forum with the election of Chair and Vice-Chair.
- Regional workshops that will target all DNAs, as part of the Article 6 capacity-building programme and more details to be provided during the update on the Agenda item 5. Para 34.
- Webinars for Article 6.4 DNAs to update DNAs on the recent developments, decisions of the SBM and time-sensitive issues.

## Recommendation to the Supervisory Body

---

- The secretariat recommends that the Supervisory Body takes note of the updates on activities related to the DNAs and provide any necessary guidance.

---

# Thank You!
