**MESSAGE TO UNITED NATIONS SYSTEM AND SPECIALIZED AGENCIES  
AND OTHER RELEVANT ORGANIZATIONS**

**Opening of the Online Registration System**

**United Nations Climate Change Conference, COP 30  
10 – 21 November 2025  
Belem, Brazil**

The secretariat refers to the United Nations Climate Change Conference (COP 30), to be held **from 10 to 21 November 2025 in Belém, Brazil**, and wishes to inform United Nations system and specialized agencies and other relevant organizations (UN organizations), that the online registration system (available at <https://onlinereg.unfccc.int/>), which allows UN organizations, to nominate representatives to attend sessions, is now open for registration for COP 30, and will remain open for nomination and confirmation of delegations until 9 November 2025, 23:59 Central European Time (CET).

The manual on how to access and use the system is available [here](#). ORS is the only official channel for nominating participants for COP 30. The secretariat is not in a position to process nominations submitted by other methods.

The secretariat strongly recommends accessing the ORS as soon as it has been opened and requests that all delegates be nominated and confirmed as soon as possible to enable timely processing of the information.

The formal notification of the session will be issued in due course. It will also include useful information for participants. Additional information will be published on the [Information for Participants section for COP 30](#) on the UNFCCC website.

**Distribution:** To United Nations system and specialized agencies and other relevant organizations, through their Designated Contact Points to the United Nations Framework Convention on Climate Change.
