Sharm el-Sheikh, 6–12 November 2022

Agenda item 10(b)

Matters related to science and review

**Second periodic review of the long-term global goal
under the Convention and of overall progress towards
achieving it**

Subsidiary Body for Implementation

Fifty-seventh session

Sharm el-Sheikh, 6–12 November 2022

Agenda item 9

**Second periodic review of the long-term global goal
under the Convention and of overall progress towards
achieving it**

**Second periodic review of the long-term global goal under
the Convention and of overall progress towards achieving it**

Draft conclusions proposed by the Chairs

1. The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation considered the second periodic review of the long-term global goal under the Convention and of overall progress towards achieving it.
2. They agreed to recommend to the Conference of the Parties to consider the matter at its twenty-seventh session (November 2022) taking into account the draft text on the UNFCCC website.¹
